Missouri Gas Utility, Inc. (MGU) has filed a tariff to establish procedures to resolve billing issues involving non-residential customers. That tariff is set to become effective on September 3, 2009.

On August 18, Staff filed a recommendation advising the Commission to approve MGU's tariff. Staff explained that it asked MGU to file such a tariff as part of its recommendation regarding MGU's 2007-2008 Actual Cost Adjustment. In its June 18 Order Adopting Staff Recommendations and Establishing ACA Balance, the Commission ordered MGU to comply with Staff's recommendation. Thus, MGU filed this tariff to comply with Staff's recommendation and the Commission's order.

Based on the recommendation of its Staff, the Commission will approve MGU's tariff.
