Issue Date: April 5, 2011

Effective Date: April 5, 2011

At the evidentiary hearing regarding Atmos Energy Corporation's actual cost adjustment, the presiding officer reserved exhibit number 33HC for a correction page to be filed after the hearing by the Commission's Staff. On March 30, the Commission issued an order that allowed the other parties until April 4 to object to the admission of that exhibit. No such objection having been filed, the Commission will admit the exhibit into evidence.

2. This order shall become effective immediately upon issuance.
