STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its Status Report, states as follows:

- 1. On May 18, 2009, the Staff filed a Status Report informing the Commission that the parties had participated in an informative presentation by Atmos Energy Marketing on April 21st and that the parties were continuing to exchange information. In that Report, Staff indicated that it anticipated filing either a status report or procedural schedule no later than June 18, 2009.
- 2. Currently, the parties are continuing to exchange information. Because of the need for additional time for discovery, the Staff believes the parties will be in a position to file either a status report or a procedural schedule by no later than July 21, 2009. Staff counsel has discussed this matter with counsel for Atmos and OPC and represents that the parties agree to file either a status report or procedural schedule not later than July 21, 2009.

WHEREFORE the Staff prays the Commission accept this Status Report.

Respectfully submitted,

/s/ Robert S. Berlin
