In the Matter of Laclede Gas
Company's 2008 PGA Filing.

Case No. GR-2008-0387

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff) pursuant to the Commission's March 1, 2010, Order Directing Status Reports to be filed quarterly, and states it continues to recommend this case be held open pending the resolution of the LER discovery dispute from the prior ACA cases and Laclede's actions regarding the recovery of MPC (now known as MoGas) overcharges. To that end, the Staff reports status as follows:

1. Staff's 9/22/11 Staff Reply to Laclede's Response to Staff Status Report lists the specific Laclede information Staff will need for the 2011/2012 ACA review regarding the Company's baseload and swing gas supply study.

2. Staff proposes to reserve its recommendation on the ACA balances in this case because of the on-going discovery dispute in Case No.'s GR-2006-0288 and GR-2005-0203.

3. Laclede won a Judgment and Order from the St. Charles County Circuit Court in the amount of \$6,638,361 plus interest for MoGas overcharges. Staff continues to monitor Laclede's actions regarding its recovery of MPC overcharges. Though no dollar adjustment was proposed in Staff's Recommendation filed on December 31, 2009, it is possible Staff may recommend adjustments to the ACA balance in this case based on new information Staff receives related to the prior cases.

Respectfully submitted,
