TO STAFF'S RECOMMENDATION**

Issue Date: September 25, 2014

Effective Date: September 25, 2014

On July 25, 2014, Laclede Gas Company ("Laclede") filed a verified application to change its Infrastructure System Replacement Surcharge ("ISRS") for its Laclede Gas Service Territory. The Commission suspended Laclede's ISRS tariff sheet and directed the Staff of the Missouri Public Service Commission to file a recommendation.

On September 23<sup>rd</sup>, Staff filed its recommendation that the Commission reject Laclede's ISRS tariff sheet. Staff's auditors determined three work orders included in Laclede's application were for projects not statutorily eligible for an ISRS. Staff submitted its proposed ISRS rates for each customer class.

The Commission will set a deadline for parties to file a response to Staff's recommendation.

**THE COMMISSION ORDERS THAT:**

1. Responses to *Staff's Corrected Recommendation* shall be filed no later than October 3, 2014.

2. This order shall become effective immediately upon issuance.
