**OF THE STATE OF MISSOURI**

In The Matter of the Adequacy of Laclede	)	
Gas Company's Service Line Replacement	)	<b><u>Case No. GO-99-155</u></b>
Program and Leak Survey Procedures	)	

**NOTICE CLOSING CASE**

Issue Date: March 28, 2008

On August 8, 2007, Laclede filed a Verified Application, Case No. GS-2008-0038, requesting a revision in the replacement requirements for Case No. GO-99-155, establishing the adequacy of the Company's copper service line replacement program and leak survey procedures for soft copper service lines.

On September 6, 2007, Staff filed its recommendation in Case No. GS-2008-0038, stating Laclede's request is consistent with the goal of the program of assuring public safety. On September 13, 2007, Laclede filed its response to the Staff Recommendation stating it is willing to accept the modified program terms as set forth in the recommendation and reserved Laclede's right to renew its request for additional modification in the terms of the program.

On September 20, 2007, the Commission issued an Order Granting Reduction of Replacement Requirements. Staff was directed to continue to report to the Commission annually of Laclede's progress. Staff's reports shall be made in Case No. GS-2008-0038.

Therefore, this case may be closed.
