

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In The Matter of the Application of GoSEMO, )  
LLC to Provide Telecommunications and/or )  
Interconnected Voice over Internet Protocol ) Case No.  
Services )

**MOTION FOR EXPEDITED TREATMENT**

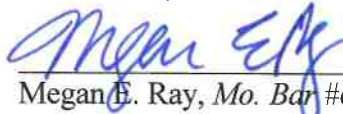

COMES NOW GoSEMO, LLC (“GoSEMO”), by and through undersigned counsel, and pursuant to 4 CSR 240-2.080(14), for its Motion for Expedited Treatment of its Application to Provide Telecommunications and/or Interconnected Voice over Internet Protocol Services, states as follows:

1. GoSEMO filed its Application to Provide Telecommunications and/or Interconnected Voice over Internet Protocol Services on November 14, 2018, herewith.
2. GoSEMO filed its Application for Designation as an Eligible Telecommunications Carrier currently pending before the Commission in Case No. RA-2019-0089, on September 27, 2018.
3. Through Data Requests from Staff Counsel on November 5, 2018, GoSEMO was made aware that its 3<sup>rd</sup> party IVoIP provider, Momentum Telecom, Inc., is not certificated to provide IVoIP services with the Missouri Public Service Commission. GoSEMO was previously unaware of this issue.
4. GoSEMO filed the current IVoIP Application to remedy that issue as soon as possible thereafter, on November 14, 2018.
5. GoSEMO’s ETC case was filed in order for GoSEMO to obtain the CAF-II Auction Funds it won from the FCC.

6. In GoSEMO's ETC case, through its *Order Extending Time for Filing of Staff Recommendation*, the Commission directed Staff to file a recommendation regarding GoSEMO's ETC Application before November 30, 2018.
7. Obtaining IVoIP status prior to this deadline is imperative to GoSEMO's ETC Application.
8. If GoSEMO does not obtain IVoIP status prior to November 30<sup>th</sup>, it is likely GoSEMO's ETC application will be denied and GoSEMO will thus not be eligible to receive the CAF-II Auction Funds it won.

WHEREFORE, GoSEMO prays that the Commission will take up and determine expeditiously its Application to Provide Telecommunications and/or Interconnected Voice over Internet Protocol Services on or before November 22, 2018, and grant such other and further relief as the Commission deems just herein.

Respectfully submitted,

---
