Issue Date: August 14, 2023

Effective Date: August 14, 2023

On June 28, 2023, Spire Missouri Inc. d/b/a Spire filed an application for a certificate of convenience and necessity (CCN) to construct, install, own, operate, maintain, and otherwise control and manage a natural gas distribution system to provide natural gas service in Platte County, Missouri, as a further expansion of Spire’s existing certificated area.

On June 30, 2023, the Commission issued an order that, among other things, directed the Staff of the Commission (Staff) to file a recommendation regarding Spire’s application by August 14, 2023, or to file a request for an extension of time.

On August 11, 2023, Staff filed a *Motion for Extension of Time to File Staff Recommendation* that requested an additional 45 days in which to file its recommendation. Staff cited the need for time to complete its investigation and stated that the other parties in this matter do not object to its motion.

The Commission finds the motion reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Staff's *Motion for Extension of Time to File Staff Recommendation* is granted.
2. Staff shall file its recommendation on or before September 28, 2023.
3. This order shall be effective when issued.
