**ORDER REGARDING EXHIBIT NUMBERS**

Issue Date: September 27, 2010

Effective Date: September 27, 2010

On March 3, 2010,<sup>1</sup> the above-referenced complaint was filed. Laclede Gas Company (hereafter "Laclede") filed its Answer on April 1. The Commission convened a hearing on August 18.

During that hearing, the Regulatory Law Judge ordered Laclede to late-file the proposed exhibits with a corresponding explanation.<sup>2</sup> Laclede did so on August 26, and asked that the exhibits be admitted into evidence. On September 8, the Commission took up Laclede's request unopposed, granted its motion, and admitted exhibits. On that same date, the Commission ordered briefing.

Upon receipt of briefs from Laclede and Staff, the Commission notes that Laclede has an Exhibit 4 listed as a 1 page letter dated May 17, 2010, and Staff has a different Exhibit 4; namely, its Report.

<sup>1</sup> All calendar references are to 2010 unless otherwise noted.

<sup>2</sup> The exhibits were ordered late-filed due to some parties participating via telecast from the Commission's St. Louis offices, thereby preventing participants in St. Louis and Jefferson City from seeing each other's exhibits.

The Commission will renumber the exhibits, and give the parties an opportunity to object or ask for further clarification. Exhibits 1 through 5 are the Exhibits 1 through 5 as listed on Laclede's August 26 motion. Exhibit 6 is Staff's Report of Investigation and Recommendation.

**THE COMMISSION ORDERS THAT:**

1. The exhibits are renumbered as listed above.
2. Exhibits 1 through 6 are admitted into evidence.
3. Any objection or further request for clarification on exhibits or exhibit numbering shall be filed no later than October 1, 2010.
4. This order shall become effective immediately on issuance.
