ORDER DENYING APPLICATIONS FOR REHEARING

Issue Date: December 7, 2011

Effective Date: December 7, 2011

The Missouri Public Service Commission is denying each application for rehearing and the motion for clarification.

On November 18, 2011, applications for rehearing were filed as follows:

- *Application for Rehearing and Motion for Clarification of Southern Union Company,*
- *Missouri Association of Trial Attorneys' Application for Rehearing, and*
- *Joint Application for Rehearing of the Office of Public Counsel and the Consumers Council of Missouri.*

The latter two applications are the subject of a response in opposition from Southern Union Company, filed on November 28, 2011. The Commission received no other response to any of the applications for rehearing within the time allowed by regulation.¹

¹ 4 CSR 240-2.080(15).

The Commission shall grant an application for rehearing if “in its judgment sufficient reason therefor be made to appear.”² The applications for rehearing show no sufficient reason for a rehearing. Therefore, the Commission will deny each application for rehearing.

Southern Union Company’s motion for clarification includes a draft tariff sheet. Southern Union Company asks whether the Commission would approve the draft tariff sheet if filed. The matters guiding that decision are inadequately developed for a sufficiently informed ruling so the Commission will deny the motion for clarification.

THE COMMISSION ORDERS THAT:

1. The *Application for Rehearing and Motion for Clarification of Southern Union Company* is denied.
2. The *Missouri Association of Trial Attorneys' Application for Rehearing* is denied.
3. The *Joint Application for Rehearing of the Office of Public Counsel and the Consumers Council of Missouri* is denied.
4. This order shall become effective immediately upon issuance.
