

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company d/b/a)
Ameren Missouri's Purchased Gas Adjustment)
(PGA) Factors)

File No. GR-2010-0180

ORDER GRANTING MOTION FOR CONTINUANCE

Issue Date: January 12, 2012

Effective Date: January 12, 2012

The Staff of the Commission was to file its Recommendation no later than January 13, 2011. On January 11, Ameren Missouri filed a motion to extend that time until after litigation is concluded in another matter.

Ameren explains that it is seeking to recover unlawful transportation costs from MoGas Pipeline, LLC and expects to be able to give the Staff a clear understanding of that litigation by the end of April 2012. Because Ameren believes the litigation with MoGas will aid Staff in its Recommendation, Ameren seeks to continue this matter until April 30, 2012.

Ameren states that Staff has no objection to this continuance. The Commission will grant the requested relief.

THE COMMISSION ORDERS THAT:

1. Union Electric Company d/b/a Ameren Missouri's request for a continuance is granted.
2. Union Electric Company d/b/a Ameren Missouri shall file a status update no later than April 30, 2012.

3. This order shall become effective upon issuance.
