On April 7, 2014, Missouri Gas Energy (MGE) filed on behalf of the Staff of the Commission and the Office of the Public Counsel, a Notice of Settlement and Motion to Modify Procedural Schedule. MGE notified the Commission that the parties have reached a settlement in principle and intend to file an agreement by Friday, April 11, 2014. The company suggests that the hearing dates for the week of April 21, be preserved.

The Commission recognizes that the parties have reached a settlement in principle of all issues in the case and will grant the requested relief.
