COMES NOW KCP&L Greater Missouri Operations Company (“GMO” or “Company”), and in support of its *Motion for Expedited Treatment and Approval of Compliance Tariff Filing* respectfully states as follows:

1. On November 5, 2014, the Missouri Public Service Commission (“Commission”) issued its *Order Approving Partial Stipulation and Agreement, Rejecting Tariff, and Establishing Procedural Schedule* (“*Stipulation Approval Order*”).

2. In its *Stipulation Approval Order*, the Commission rejected the tariff sheets submitted by GMO on April 10, 2014 which initiated this proceeding and, in Ordered Paragraph 3, authorized GMO to file tariff sheets in compliance with the *Stipulation Approval Order* and a motion for expedited treatment.

3. In compliance with the Commission’s *Stipulation Approval Order*, GMO has this date filed the following compliance tariff sheets (bearing an issue date of November 6, 2014 and a proposed effective date of December 6, 2014) and concurrently therewith this *Motion for Expedited Treatment and Approval of Compliance Tariff Filing*:

4. As provided in the *Non-Unanimous Partial Stipulation and Agreement* approved by the *Stipulation Approval Order*, GMO respectfully requests that the Commission take action to approve these compliance tariff sheets effective December 1, 2014.

5. As good cause for approval on less than 30 days' notice, GMO states that these compliance tariff sheets serve to implement an agreement among most of the parties to this proceeding that was opposed by no party to this proceeding, has been approved by the Commission and which will enable GMO to begin recovering a portion of the substantial costs it has expended to comply with Missouri's renewable energy standard.

* Because these tariff sheets did not change from those originally filed they were not appended to the Non-Unanimous Partial Stipulation and Agreement filed October 20, 2014.

WHEREFORE, GMO respectfully requests that the Commission grant expedited treatment and approve this compliance tariff filing to be effective on December 1, 2014.

Respectfully submitted,
