TO FILE JOINT AGREEMENT AND RELATED RESPONSES**

Pursuant to Missouri Public Service Commission ("Commission") Rule 4 C.S.R. 240-22.80(12), KCP&L Greater Missouri Operations Company ("GMO") hereby respectfully submits its motion, on behalf of itself and other parties, for an extension of time until April 9, 2010 to file a Joint Agreement, and an extension of time until April 26, 2010 to file any response by GMO to the Joint Agreement, and Comments by other parties in the event that any alleged deficiencies remain unresolved. See 4 CSR 240-22.080(8) & (9). In support of this motion, GMO states as follows:

1. On August 5, 2009, GMO filed its 2009 Integrated Resource Planning Filing ("IRP") which is required by the Commission's 4 CSR 240-22 rules.
2. On December 10, 2009, the Commission Staff, Public Counsel, Dogwood Energy, L.L.C. ("Dogwood") and the Missouri Department of Natural Resources ("MDNR"), each filed reports alleging certain deficiencies with GMO's IRP.
3. At the request of the GMO and the other interested parties, the Commission on January 12, 2010 extended the filing deadline for the Joint Agreement until February 24, 2010, and the filing deadline for GMO's response and comments from other parties until March 11, 2010.

4. On February 18, 2010, a meeting was held among GMO and interested parties to discuss the alleged deficiencies and GMO's response to those items. It became apparent that more time is needed for the parties to meet to discuss and possibly resolve or narrow the alleged deficiencies.

5. The Commission Staff, Office of the Public Counsel, the Missouri Department of Natural Resources, Dogwood Energy, LLC, Ag Processing, Inc./Sedalia Industrial Energy Users Association, Missouri Joint Municipal Energy Utility Commission, and City of Kansas City, Missouri have indicated that they have no opposition to this request.

WHEREFORE, GMO on behalf of itself and other parties respectfully requests that the respective deadlines for filing the Joint Agreement be extended to April 9, 2010, and the deadline for the GMO Response to the Joint Agreement and Comments of other parties be extended to April 26, 2010.
