**ORDER DIRECTING STAFF TO FILE RECOMMENDATION**

Issue Date: October 28, 2008

Effective Date: October 28, 2008

On October 23, 2008, the Commission issued an order authorizing Atmos Energy Corporation to establish an Infrastructure System Replacement Surcharge (“ISRS”) rate schedule. The Commission rejected the implementing tariff Atmos had filed, but authorized the company to submit a replacement tariff that conformed to the Commission’s order.

Atmos filed a replacement tariff on October 27. That tariff carries a thirty-day effective date of November 26. However, Atmos filed a motion for expedited treatment along with the tariff, asking the Commission to approve the tariff to go into effect on November 4.

Before acting on Atmos’ tariff, the Commission will need to have an expedited recommendation from its Staff.

**THE COMMISSION ORDERS THAT:**

1. The Staff of the Commission shall file its recommendation regarding Atmos Energy Corporation’s tariff no later than October 30, 2008.

2. Any other party wishing to file a recommendation regarding Atmos Energy Corporation's tariff shall do so no later than October 30, 2008.

3. This order shall become effective immediately upon issuance.
