Re: Missouri-American Water Company
Case Nos. WR-2022-0303 and SR-2022-0304

Dear Judge Woodruff,

On behalf of Missouri-American Water Company (“MAWC” or “Company”), I am providing herewith to the Missouri Public Service Commission (“Commission”) for filing certain tariff sheets in electronic form consisting of revised water and sewer tariff sheets. The proposed tariff sheets are listed on Appendix A, bear a date of issue of July 1, 2022, and an effective date of July 31, 2022.

The purpose of this filing is to implement a general rate increase for water and sewer service provided by MAWC. The revised rates are designed to produce \$99.6 million in additional annual water and sewer revenues (excluding gross receipts and sales taxes) or a 25.7% increase over revenues authorized in MAWC’s last general rate case (WR-2020-0344) and subsequent WSIRA cases (WO-2021-0428 and pending in WO-2022-0176).

The water rates have been designed to implement the Company’s proposal to move to consolidated tariff pricing. Provided herewith as Appendix B is a description of the impact MAWC’s proposal would have on residential customers in each district utilizing 3,000, 5,000, and, 7,000 gallons monthly usage levels.

Provided in electronic form are the direct testimony and schedules of the following MAWC witnesses:

Richard Svindland	John Watkins	Matthew Mason	Ann Bulkley
Jeffrey Kaiser	Charles Rea	Michael Schwarzell	Patrick Baryenbruch
Rebecca Losli	Wesley Selinger	James Merante	Robert Mustich
Brian LaGrand	Jennifer Grisham	Thomas O’Drain	Harold Walker

Also, MAWC's Minimum Filing Requirements, as required by Commission Rule 20 CSR 4240-3.030(3)(B), are contained in Schedule BWL-2, attached to the Direct Testimony of Brian LaGrand.

Please see that this filing is brought to the attention of the appropriate Commission personnel, and please let me know if you have any questions or concerns regarding this tariff filing.
