**Re: Substitute Tariff Schedule to Adjust FAC Rate of  
KCP&L Greater Missouri Operations Company – Case No. ER-2019-0198**

Dear Mr. Woodruff:

KCP&L Greater Missouri Operations Company (“KCP&L-GMO” or the “Company”) hereby submits a substitute proposed rate schedule to adjust charges related to the Company’s approved Fuel Adjustment Clause (“FAC”) pursuant to 4 C.S.R. 240-20.090(4) of the regulations of the Missouri Public Service Commission (“Commission”). The proposed rate schedules bear an issue date of December 31, 2018, and an effective date of March 1, 2019.

Subsequent to the Company’s filing on December 31, 2018 in Case No. ER-2019-0198, the Company discovered an error in the revenue amounts included in the GMO FAC PISA calculation for the Average Overall Rate and the Class Average Overall Rate. The first correction made to the base revenue component used in the calculation of the Average Overall Rate effective at December 6, 2018 did not result in any changes to the Average Overall Rate or the 3% test. This change was made so that the rate case amounts included in the PISA calculation ties to the settlement amounts and supporting worksheet in Case No. ER-2018-0146. However, the second correction made to base revenues for Large Power customers used in the calculation of the Class Average Overall Rate effective December 6, 2018 did change. As a result, this error impacted the 2% Large Power cap resulting in a projected rate change of 3.75% rather than the 3.78% as originally filed, and amounts to an increase of \$22,944 charged to the Large Power customer class for recovery. This correction is reflected on revised tariff sheet 127.12, lines 11-13.

Copies of the revised FAC-related rate schedules and all supporting materials described in this letter will be served electronically, this date, on the Commission’s General Counsel, the Office of Public Counsel, and each party to Case No. ER-2016-0156.

Please provide a copy of all correspondence, notices, orders, and other communications that relate to this filing to the following as well as undersigned counsel:

Lisa A. Starkebaum
