**ORDER CANCELING PREHEARING CONFERENCE**

Because the Staff of the Missouri Public Service Commission and Missouri Gas Energy differed on the amount needed to recover the Infrastructure System Replacement Surcharge, the Commission issued an order setting this matter for a prehearing conference. However, on April 18, 2005, Missouri Gas Energy filed a notice informing the Commission that it agrees with Staff's calculation and moves the Commission to cancel the prehearing conference.

Because there is no longer a contested issue to be resolved by the Commission, the Commission will cancel the prehearing conference scheduled for April 28, 2005.

**IT IS THEREFORE ORDERED:**

1. That the prehearing conference, scheduled for April 28, 2005, is canceled.

2. That this order shall become effective on April 19, 2005.
