Effective Date: April 6, 2006

On March 31, 2006, Laclede Gas Company filed an application with the Missouri Public Service Commission pursuant to Sections 393.1009, 393.1012, and 393.1015, RSMo Cum. Supp. 2005, requesting that the Commission authorize it to establish an Infrastructure System Replacement Surcharge. Section 393.1015.2(3) requires that the Commission act on Laclede's application no later than 120 days after it was filed. That means that the Commission must issue an order regarding the application with an effective date no later than July 29, 2006. Along with its application, Laclede filed a tariff that will implement the surcharge. Unless the Commission acts to suspend that tariff, it will become effective on May 1, 2006.

So that it can consider Laclede's implementing tariff and the underlying application, that tariff shall be suspended until July 29, 2006, unless sooner approved by the Commission.

IT IS ORDERED THAT:

1. The tariff sheet filed by Laclede Gas Company on March 31, 2006, and assigned tariff number YG-2006-0747, is suspended until July 29, 2006. The tariff suspended is:
