Mike,

Please find attached KCP&L's proposed changes to version 11 of the Prop C Rules. In an attempt to clarify section 5, Retail Rate Impact, KCP&L has included a suggested redrafting of the section that we believe provides a clear, straight forward methodology that, we believe complies with the statute and hopefully, removes some of the ambiguity that we have all struggled with in prior drafts.

Please call me if you have any questions.

7/1/2009

Subject: Missouri Renewable Energy Standard rulemaking

Rulemaking participants:

I have attached four items for your information and review. These four items include: a letter from Missouri Public Service Commission Chairman Clayton, the latest draft of the Chapter 20 rule (revision 11), a draft of the Chapter 3 rule (revision 2), and an attachment to the Chapter 3 rule.

As explained in the Chairman's letter, based on changes made to the Chapter 20 rule (this is the rule that has been reviewed in the workshops), we have also developed a draft Chapter 3 rule. The Chapter 3 rule primarily addresses procedural details that support section (6) of the Chapter 20 rule.

Please review this information and provide me any comments or recommendations by Monday, June 22.

If you have any questions, please contact me.

Thanks for your participation in this process.
