No Signatory will be deemed to have approved, accepted, agreed, consented, or acquiesced to any substantive or procedural principle, treatment, calculation, or other determinative issue underlying the provisions of this *Stipulation* except as otherwise specifically set forth herein. Except as specifically provided herein, no Signatory shall be prejudiced or bound in any manner by the terms of this *Stipulation* in any other proceeding, regardless of whether this *Stipulation* is approved.

9. If the Commission does not approve this *Stipulation* unconditionally and without modification, and notwithstanding its provision that it shall become void, neither this *Stipulation*, nor any matters associated with its consideration by the Commission, shall be considered or argued to be a waiver of the rights that any Signatory has for a decision in accordance with Section 536.090, RSMo 2016 or Article V, Section 18 of the Missouri Constitution, and the Signatories shall retain all procedural and due process rights as fully as though this *Stipulation* had not been presented for approval, and any suggestions or memoranda, testimony or exhibits that have been offered or received in support of this *Stipulation* shall become privileged as reflecting the substantive content of settlement discussions and shall be stricken from and not be considered as part of the administrative or evidentiary record before the Commission for any further purpose whatsoever.

10. If the Commission unconditionally accepts the specific terms of this *Stipulation* without modification, the Signatories waive, with respect only to the issues resolved herein: their respective rights (1) to call, examine and cross-examine witnesses pursuant to Section 536.070(2), RSMo 2016; (2) their respective rights to present oral argument and/or written briefs pursuant to Section 536.080.1, RSMo 2016; (3) their respective rights to the reading of the transcript by the Commission pursuant to Section 536.080.2, RSMo 2016; (4) their respective rights to seek rehearing pursuant to Section 386.500, RSMo 2016; and (5) their respective rights to judicial review pursuant to Section 386.510, RSMo Supp. 2020. not explicitly addressed by this *Stipulation*.

11. The Signatories shall also have the right to provide, at any agenda meeting at which this *Stipulation* is noticed to be considered by the Commission, whatever oral explanation the Commission requests, as does Staff and OPC. The Signatories' oral explanations shall be subject to public disclosure, except to the extent they refer to matters that are privileged or protected from disclosure pursuant to the Commission's rules on confidential information.

12. This *Stipulation* contains the entire agreement of the Signatories concerning the issues addressed herein.

13. This *Stipulation* does not constitute a contract with the Commission and is not intended to impinge upon any Commission claim, right, or argument by virtue of the *Stipulation's* approval. Acceptance of this *Stipulation* by the Commission shall not be deemed as constituting an agreement on the part of the Commission to forego the use of any discovery, investigative or other power which the Commission presently has or as an acquiescence of any underlying issue. Thus, nothing in this *Stipulation* is intended to impinge or restrict in any manner the exercise by the Commission of any statutory right, including the right to access information, or any statutory obligation.

14. The Signatories agree that this *Stipulation*, except as specifically noted herein, resolves all issues in this case, and that the agreement and its exhibits should be received into the record without the necessity of any witness taking the stand for examination. Further, contingent upon Commission approval of this *Stipulation* without modification, the Signatories hereby stipulate to the admission into the evidentiary record of the pre-filed written testimony of their witnesses.

WHEREFORE, the Signatories respectfully request that the Commission approve this *Stipulation* and the Territorial Agreement attached hereto as Appendix 1 and grant any other and

ARTICLE 2.

EXCLUSIVE RIGHT TO SERVE

- 2.1 Pursuant to Section 394.312, this Agreement designates the boundaries of a portion of electric service area of Company and Cooperative in portions of Cooper, Cole, and Moniteau Counties and only for purposes of this Agreement. The Company

agrees not to serve New Structures in the areas described in Article 3, hereinafter referred to as the “Exclusive Service Areas of the Cooperative.” Likewise, Cooperative agrees not to serve New Structures in the areas described in Article 4, hereinafter referred to as the “Exclusive Service Areas of the Company.” The parties recognize and agree that this Agreement shall not apply to any service area not designated as an exclusive service area in Article 3 or 4.

- 2.2 Except as provided expressly herein, after the Effective Date, as between the parties, each party shall have the exclusive right to furnish electric service to all New Structures located within its respective exclusive service area described in Articles 3 and 4 of this Agreement, regardless of the size of the load or the characteristics of the customers' requirements. Except as provided expressly herein, neither party may furnish, make available, render, or extend electric service to New Structures or for use within the exclusive service area of the other party, either directly or indirectly, including through a parent, affiliate, or subsidiary of Company or Cooperative, whether said parent, affiliate, or subsidiary be a corporation, limited liability company, partnership, or cooperative corporation.
- 2.3 Both parties retain the right to furnish electric service to all Existing Structures that they are serving by either permanent or temporary electric service on the Effective Date of this Agreement, regardless of their location.
- 2.4 During the time period between the execution of this Agreement and the Effective Date of this Agreement, neither party shall construct primary or secondary electric facilities within the territory assigned exclusively to the other pursuant to this Agreement, (1) unless ordered to do so by the Commission or a court of competent jurisdiction, (2) unless it is a necessary part of the provision of service to its customers in other areas; provided, however, that any such construction is within a previously established easement obtained for the purpose of providing service in other areas, or (3) to fulfill the request of Public Water Service District No. 1 for service by Company at 16568 Highway 87, Boonville, Missouri.

- 2.5 The parties recognize and agree that this Agreement places limits on the parties' abilities to distribute retail electric energy. In the event that retail wheeling of unbundled electric energy becomes available in the territory affected by this Agreement, (e.g., retail customers are permitted to choose their suppliers of electric energy), nothing in this Agreement shall be construed to limit in any way the ability of either party to furnish electric energy to Existing Structures located in the exclusive service area of the other party; provided, however, that the electric energy shall be delivered to said Structures by means of the electric distribution facilities of the party in whose exclusive service area the Structures are located. Further, in the event changes in this Agreement are required due to retail wheeling of unbundled electric energy becoming available in the territory affected by this Agreement, both parties agree to negotiate in good faith changes to this Agreement with the intention of maintaining the benefits of their previous bargain to the extent practicable. The parties further agree to cooperate in obtaining the Commission's approval of any such modified agreement, if necessary, by making a joint application requesting such Commission approval and any other required filings related thereto.
- 2.6 In the event that a New Structure is located on the territorial boundary between the Cooperative's and the Company's service territory as described in this Agreement and supporting exhibits, the New Structure shall be served by the party whose territory includes the point at which the electrical service enters the New Structure.
- 2.7 A party may provide electric service to a New Outbuilding located in the exclusive service area of the other party, so long as (i) the New Outbuilding is located within the contiguous tract of land on which that party's Customer's Structure is located, and the New Outbuilding shall not be used for commercial or industrial purposes or (ii) the other party consents in writing. This section shall not apply to a Customer who receives electric service from both Company and Cooperative on the same tract of land, and requests additional electric service. The New Outbuildings for these customers shall be served by the designated exclusive

service provider, unless the Customer, Company, and Cooperative agree otherwise and follow the procedures set out in Article 7.

- 2.8 When the parties cannot agree on the boundaries of the service area as described within this Agreement, they may, by mutual consent of all parties involved, petition the Commission to determine the boundaries and such determination shall be binding on all parties.
- 2.9 This Agreement does not purport to affect the rights of any Electric Power Provider.

For the purposes of this Agreement, the Exclusive Service Area of Cooperative, as between the parties under this Agreement, shall be the area in Cooper County, Missouri depicted on Exhibit A attached hereto and incorporated herein. ARTICLE 6.
