**ORDER GRANTING REQUEST TO LATE-FILE STATUS REPORT**

Issue Date: July 14, 2011

Effective Date: July 14, 2011

On May 28, 2010, the Commission issued an order which, among other things, directed its Staff to file additional status reports or recommendations as needed, no later than July 1, 2011. On July 14, 2011, Staff filed a notice and request to late-file its status report, relating that it had inadvertently overlooked the filing date. Staff stated that it is completing discussions with the City of Springfield and will file its status report no later than July 25, 2011.

The Commission finds that no party will be prejudiced by the late filing of this status report, and will grant Staff's request.

**THE COMMISSION ORDERS THAT:**

1. Staff's Request to Late File Status Report is granted.
2. Staff shall file its status report no later than July 25, 2011.

3. This order shall become effective upon issuance.
