Effective Date: October 22, 2020

On October 21, 2020, Spire Missouri Inc. d/b/a Spire filed a motion for expedited treatment of its COVID-19 Residential Assistance Program tariff filing along with tariff sheets YG-2021-0100 and JG-2021-0101. The tariff sheets were filed to comply with the Amended Unanimous Stipulation and Agreement approved by the Commission in File No. GU-2020-0376, on October 21, 2020. Under the Residential Assistance Program, eligible customers will receive \$100 upon enrollment and Spire will contribute a dollar for dollar match of up to \$300 towards a customer's past due bills. The Amended Stipulation and Agreement states that the program is to begin October 21, 2020. The tariff sheets bear an effective date of November 20, 2020, but Spire asks that the Commission act to approve the tariff by October 28, 2020, to be effective on November 7, 2020.

In consideration of the effective date of the tariff sheets and the time requirements in the Amended Stipulation and Agreement, the Commission will direct its Staff to file a recommendation on an expedited schedule. The Commission will also establish a deadline for any other responses to the tariff sheets or Staff's recommendation.
