ORDER GRANTING MOTION TO MODIFY DEADLINES FOR FILING TESTIMONY

Issue Date: August 5, 2011

Effective Date: August 5, 2011

The Missouri Public Service Commission is granting the *Motion to Modify Deadlines for Filing Testimony* ("motion").¹ In the motion, the City of Kansas City ("City") asks the Commission to extend the due date for filing all parties' direct testimony on the revenue requirement to August 26. In support, the City cites the Commission's August 4 order granting such an extension for Kansas City Power & Light Company ("KCP&L").

The City argues that the August 4 order may give KCP&L the opportunity for an unfair advantage over other parties still subject to the current deadline. The Commission intended no such consequence. Also, the City proposes a similar extension for filing rebuttal to September 27. That date is after the final discovery conference as currently scheduled. But any discovery disputes resulting from the filing of rebuttal can be resolved at the opening of the Settlement Conference on October 3.

Therefore, the Commission will grant the motion.

THE COMMISSION ORDERS THAT:

1. The *Motion to Modify Deadlines for Filing Testimony* is granted.

¹ Filed on August 4. All dates are in 2011.

2. The due date for filing direct testimony on all issues by all parties except Veolia Energy Kansas City, Inc. shall be August 26, 2011.

3. The due date for filing rebuttal testimony as to all issues by all parties shall be September 27, 2011.

4. Any discovery disputes resulting from the filing of rebuttal shall be subject to ruling at the opening of the Settlement Conference on October 3, 2011.

5. This order shall become effective immediately upon issuance.
