Re: Union Electric Company d/b/a Ameren Missouri (Ameren Missouri), File No. ER-2022-0337

Dear Ms. Dippell:

Accompanying this letter for filing via the Commission's Electronic Filing and Information System ("EFIS") are four additional revised tariff sheets per the Commission's June 14, 2023 Report and Order. On June 19, 2023, Ameren Missouri caused to be filed with the Commission revised tariff sheets as authorized by the Report and Order to effectuate the terms of the April 7 Stipulation and Agreement and almost all of the decisions within the Report and Order (the "First Compliance Tariffs"). The First Compliance Tariff sheets did not address anything related to the new default Smart Savers rate discussed on pp. 36 - 37 of the Report and Order. The Company has been able to work with Staff to complete all compliance tariffs. Therefore, earlier today, the Company substituted specific sheets of the First Compliance Tariffs, and files the accompanying four additional compliance tariff sheets, to reflect the deferred effective date for the new Smart Savers default rate for Residential customers, all of which were developed in collaboration with Staff. Together, the First Compliance Tariffs (including those substituted today) and the four additional compliance tariff sheets reflect implementation of all matters and orders contained in the Stipulation and Agreement and the Report and Order.

The accompanying tariff sheets are transmitted to you for filing as a revision of Union Electric Company's Schedule No. 6, Schedule of Rates for Electric Service in accordance with the Commission's June 14, 2023 Report and Order:

<u>Filed</u>		<u>Cancelling</u>
2nd Revised Sheet No. 54.8		1st Revised Sheet No. 54.8
2nd Revised Sheet No. 54.9		1st Revised Sheet No. 54.9
2nd Revised Sheet No. 54.11		1st Revised Sheet No. 54.11
2nd Revised Sheet No. 54.14		1st Revised Sheet No. 54.14

The above-listed tariff sheets bear an issue date of June 22, 2023, and an effective date of July 22, 2023. Filed concurrently herewith is the Company's *Motion For Expedited Treatment And Approval Of Additional Tariff Sheets Filed In Compliance With Commission Order On Less Than Thirty Days' Notice* asking that these tariff sheets be made effective on July 1, 2023, as contemplated by the above-referenced Report and Order.

Sincerely,
