

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service Commission held at its Office in Jefferson City on the 16th day of March, 2023.

In the Matter of Vicinity Energy Kansas City,) **File No. HT-2023-0247**
Inc's Adjustment to its PACC Tariff) Tracking No. JH-2023-0140

**ORDER APPROVING TARIFF TO ADJUST
PACC ADJUSTMENT RATES**

Issue Date: March 16, 2023

Effective Date: April 1, 2023

On February 1, 2023, Vicinity Energy, Kansas City, Inc. (Vicinity) filed two tariff sheets (Tariff No. JH-2023-0140) to change Vicinity's production adjustment cost clause (PACC) rates for steam service for the twelve months starting April 1, 2023 through March 31, 2024. In this filing, Vicinity proposes a PACC surcharge of \$7.53 per mlb, which is an increase of \$7.15 over the current PACC surcharge of \$.38 per mlb. Under its PACC, Vicinity is required to file annual, with an option of semi-annual, rate adjustments to reflect changes to fuel and production costs. Vicinity submitted the direct testimony of Scott Stordahl in support of the proposed PACC tariff sheets. The Commission filed an order directing notice and setting a deadline for applications to intervene and no applications were received.

On March 6, 2023, the Commission's Staff (Staff) recommended the Commission approve Vicinity's PACC tariff sheets to become effective on April 1, 2023. Staff's recommendation for approval of the new PACC surcharge in this case is solely based on the accuracy of Vicinity's calculations and is not indicative of the prudence of the costs included in the PACC surcharge. No responses to Staff's recommendation were received.

The Commission has reviewed Vicinity's tariff sheets and Staff's verified recommendation. Based on these filings, the Commission finds that the tariff sheets are in compliance with the Commission's previous orders and Vicinity's current tariff provisions and should be approved.

So that this order can be effective at the same time as the tariff sheets being approved, the Commission finds it reasonable to make this order effective in less than thirty days.

THE COMMISSION ORDERS THAT:

1. Tariff No. JH-2023-0140 is approved to become effective April 1, 2023. The tariff sheets approved are:

P.S.C. MO. No. 1

9th Revised Sheet No. 36, Canceling (8th Revised) Sheet No. 36

9th Revised Sheet No. 37, Canceling (8th Revised) Sheet No. 37

2. This order shall become effective on April 1, 2023.
3. This file shall be closed on April 2, 2023.

BY THE COMMISSION
