RE: Missouri Public Service Commission Case Number LA-2012-3042

Dear Ms. Salsman:

The Hamilton Telephone Company will ensure its contracts with underlying carriers do not authorize selective delivery of traffic to rural areas of Missouri.

The Hamilton Telephone Company will undertake all necessary measures to ensure its contracts with underlying carriers do not contain provisions preventing delivery of traffic to any telephone exchange area of Missouri

Such measures include but are not limited to:

- Prevention of call blocking and/or call gapping based on the cost of traffic termination.
- Preventing the alteration or stripping of Calling Party Number identification.
- Ensuring sufficient network capacity exists to process all traffic according to industry accepted practices.

Please contact me at (402) 694-5101 if you have questions.

Sincerely,

The Hamilton Telephone Company
