

**BEFORE THE PUBLIC SERVICE COMMISSION
STATE OF MISSOURI**

In the Matter of Veolia Energy Kansas City, Inc.)
for Authority to File Tariffs to Increase Rates) **Case No. HR-2014-0066**

**MOTION TO RESET DATE FOR EARLY TECHNICAL CONFERENCE
TO MARCH 18, 2014**

COMES NOW the Staff (“Staff”) of the Missouri Public Service Commission (“Commission”) and, on behalf of the parties, moves the Commission to reset the date for the Early Technical Conference to March 18, 2014, and in support thereof states the following:

1. In its January 16, 2014, *Order Setting Procedural Schedule, Establishing Test Year And Guidelines For Discovery* (“Order”), the Commission set February 27, 2014 for the parties to hold an Early Technical Conference.

2. Based on recent discussions between Staff and Veolia Energy Kansas City subsequent to the Commission’s recent Order, both are of the opinion that the Early Technical Conference as originally set is premature and that such technical conference would be more productive if moved to Tuesday, March 18, 2014. The other parties have represented to Staff counsel that they do not oppose resetting the conference date to March 18th.

WHEREFORE, on behalf of the parties, the Staff prays the Commission will accept its motion and reset the Early Technical Conference to Tuesday, March 18, 2014, beginning at 9:00 a.m. in Conference Room 210 of the Commission’s offices.

Respectfully submitted,

/s/ Robert S. Berlin
