Dear Mr. Roberts:

I am writing you today regarding the proposed increase for new manufactured homes inspection fees. People who buy manufactured homes cannot afford this cost.

Missouri has lost more than 77,000 jobs in the last twelve months. We are making efforts to create new programs that will entice new businesses to relocate or expand into our state, therefore creating more jobs for Missourians. Raising fees on businesses can only be detrimental to our goal of offering incentives to new or existing companies. Not raising these fees at this time will result in assisting Missouri in its economic recovery and business recruitment.

If you would like to discuss this further or have any questions, please do not hesitate to call me.

Sincerely,

Jay Wasson
