A SureWest Company

Dear Customer:

You may have heard that Everest was recently purchased by SureWest. SureWest is one of the nation's leading communications providers and has served the Northern California region for more than 90 years.

I am pleased to tell you the integration of Everest into SureWest is proceeding smoothly and successfully. As part of our continuing strategy to unite the two companies, Everest will soon be changing its name to SureWest.

You will start to see the SureWest name and logo on billing statements, employee uniforms, Everest's corporate buildings and other areas throughout your community. What will be constant throughout this name change is our commitment to delivering you a revolutionary customer experience and superior products and services. You have always been an important and valued customer, and this will remain exactly the same. Additionally this change does not affect, disrupt or change any rates, terms and conditions of your service.

Today, SureWest has one of the most advanced and reliable networks in the nation. We offer customers cutting-edge telephone, cable TV and high-speed Internet products along with such services as DVR, Video On Demand and a substantial number of high-definition channels. In fact, we will be adding an additional number of new HDTV channels to your lineup very soon!

We are also excited about our plans to expand and enhance our network in the Kansas City region so we can deliver choice and competition to neighborhoods in Prairie Village, Merriam and Olathe.

To celebrate this exciting name change to SureWest and in recognition of your valued dedication to our company, we will be hosting a customer appreciation event this summer similar to those you have come to enjoy so much. Please stay tuned for more information about the event. *With this letter, we have also included an On Demand coupon good for a FREE pay-per-view movie this year.*

Thank you for being a loyal customer. We truly value your business and if you have any questions about your services, please do not hesitate to contact us at 913-825-3000.

Sincerely,

President and CEO, SureWest Communications
