## Motion for Protective Order

COMES NOW Iamo Telephone Company (Iamo or Petitioner), by counsel, in accordance with 4 CSR 240-2.085, and, for its motion for issuance of the Missouri Public Service Commission's ("Commission") standard-form protective order, states as follows:

1. Concurrently with this motion, Petitioner has filed a Petition for Suspension and Modification of the Federal Communications Commission (FCC) requirements for wireline-to-wireless Local Number Portability (LNP).

2. Petitioner plans to file company-specific information to support this Petition that may include competitive pricing information, employee-specific information, and technical, financial and business information of a confidential or proprietary nature. Additionally, it is anticipated that other information which may be requested or utilized in filings or testimony by other parties may contain customer-specific information, competitive pricing information, trade secrets, and confidential, technical, financial and business information, or other material of a confidential or proprietary nature. None of the information can be found in any other public document, and public disclosure of the referenced material which the Commission's Staff, the Office of Public Counsel, and/or Intervenors may seek in discovery may tend to harm the interests of Petitioner, its employees, and its customers.

3. Therefore, because there is a potential for public disclosure of confidential or proprietary information without a protective order in place, Iamo respectfully requests that the Commission issue in this case its standard-form protective order containing classifications of "highly confidential" and "proprietary."

WHEREFORE, Iamo, pursuant to 4 CSR 240-2.085, requests that the Commission: (a) issue the Commission's standard-form protective order containing classifications of "highly confidential" and "proprietary" to guide the parties' conduct in this case; and (b) grant such further relief as the Commission deems appropriate.

Respectfully submitted,
