

In the Matter of the Application of Spire )  
Missouri Inc. to Transfer Certain Assets to ) Case No. GM-2020-0292  
Saint Louis University )

**COMES NOW** Spire Missouri Inc. (“Spire Missouri” or “Company”), on behalf of its operating units, Spire Missouri East (“Spire East”) and, pursuant to Commission Rule 20 CSR 4240-4.017(1)(D), files this request for waiver of the notice provisions of Rule 20 CSR 4240-4.017(1), respectfully stating as follows:

2. On March 24, 2020, the Commission issued its *Order Directing Notice and Setting Deadlines for Intervention Applications and Staff's Recommendation*, where the Commission directed the Company to submit a request for waiver of the Commission's 60-day notice of case filing requirement.

Any person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case. Such notice shall detail the type of case and issues likely to be before the commission and shall include a summary of all communication regarding substantive issues likely to be in the case between the filing party and the office of the commission that occurred in the ninety (90) days prior to filing the notice.

1

established by submitting a verified declaration that the filing party has had no communication with the office of the commission within the prior one hundred fifty (150) days regarding any substantive issue likely to be in the case. The Company interprets this to mean that good cause is established if the filing party has had no communication with a member of the office of the Commission outside of pleadings or other public communications. Subject to that understanding, the Company has attached to this request a verified declaration that neither the Company nor any person or entity acting on behalf of the Company or its Missouri operating units, has had a communication with a member of the office of the commission in the last 150 days regarding any substantive issues that are likely to arise in the case. For that reason, the Company requests that the Commission grant a waiver of the 60-day notice requirement for Spire Missouri's application to transfer certain assets to Saint Louis University.

**WHEREFORE**, Spire Missouri, Inc. respectfully requests that the Commission waive the 60-day notice requirements of Commission Rule 20 CSR 4240-4.017(1) for the above captioned case filing.

Respectfully submitted,
