Mr. Morris Woodruff  
Secretary/Chief Regulatory Law Judge  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102

**Re: Tariff Schedule to Adjust FAC Rate of  
KCP&L Greater Missouri Operations Company**

Dear Mr. Woodruff:

Pursuant to 4 C.S.R. 240-20.090(4) of the regulations of the Missouri Public Service Commission (“Commission”), KCP&L Greater Missouri Operations Company (“KCP&L-GMO” or the “Company”) hereby submits proposed rate schedules to adjust charges related to the Company’s approved Fuel Adjustment Clause (“FAC”). The proposed rate schedules bear an issue date of June 30, 2017, and an effective date of September 1, 2017.

Please provide a copy of all correspondence, notices, orders, and other communications that relate to this filing to the following as well as undersigned counsel:

Lisa A. Starkebaum  
Supervisor - Regulatory Affairs  
Kansas City Power & Light Company  
1200 Main Street – 19<sup>th</sup> Floor  
Kansas City, Missouri 64105  
Phone: (816) 556-2209  
Fax: (816) 556-2110  
Email: lisa.starkebaum@kcpl.com

FAC net includable costs for the 20<sup>th</sup> accumulation period, or six-month period ending May 31, 2017, have increased by approximately \$2.1 million for KCP&L-GMO above the base costs included in rates. These costs are offset slightly by the true-up filing for the 17<sup>th</sup> accumulation period, or six-month accumulation period ending November 30, 2015, that is being made in conjunction with this tariff filing.

In accordance with the FAC for KCP&L-GMO approved by the Commission, the proposed rate schedules are designed to recover 95 percent of those net cost increases. The proposed FAC charge will be \$0.00046 per kWh. Based on usage of 1,000 kWh per month, the customer will see a monthly charge of \$0.46. This represents an increase of \$2.31 to a GMO residential customer's monthly bill above the prior FAC.

Direct Testimony and supporting schedules of Lisa Starkebaum are submitted concurrently herewith along with schedules containing the information required by 4 C.S.R. 240-3.161(7), including all workpapers that support the proposed rate schedules.

Copies of the proposed FAC-related rate schedules and all supporting materials described in this letter will be served electronically, this date, on the Commission's General Counsel, the Office of Public Counsel, and each party to Case No. ER-2016-0156.

Respectfully submitted,

*/s/ Roger W. Steiner*
