RE: Request Commission Approval of Tariff Sheets No. 110 through 118, 119.2, 119.4, 119.6 through 119.9 Net Metering Rider and Tariff Sheets No. R-62.20 and R-62.21 – Solar Photovoltaic Rebate Program Tariffs.

Dear Secretary:

KCP&L Greater Missouri Operations Company seeks approval from the Missouri Public Service Commission of the enclosed tariff revisions.

This filing is made in compliance with the Non-Unanimous Stipulation and Agreement filed in case ET-2014-0028 addressing the recent changes instituted by House Bill No. 142 pertaining to the ownership of solar renewable energy credits and the timing of application submittal.

Thank you for your consideration of these revised tariff sheets. Please contact me directly at (816) 654-1689 or [brad.lutz@kcpl.com](mailto:brad.lutz@kcpl.com) if you require any additional information.

Sincerely,

A handwritten signature in blue ink that reads "Brad Lutz". The signature is written in a cursive, flowing style.
