

- The Transportation rate remains the same at \$0 per Ccf.

The Commission directed an expedited recommendation and other responses to Ameren Missouri's proposed tariff sheet be filed no later than June 21, 2022. The Staff of the Commission (Staff) filed its recommendation on June 17, 2022. No other responses were received.

In its recommendation, Staff stated that the rates in the proposed tariff sheets, Tracking No. JG-2022-0278, were calculated in conformance with Ameren Missouri's PGA clause.

Staff states that the present case, File No. GR-2022-0351, was established to track Ameren Missouri's PGA factors to be reviewed in its 2021-2022 ACA filing. File No. GR-2021-0291 was established to track the Company's PGA factors to be reviewed in its 2020-2021 ACA filing. The rate changes proposed in the present case should be made on an interim basis, subject to refund, and pending final Commission decisions in File Nos. GR-2022-0351 and GR-2021-0291.

The Commission has reviewed the proposed tariff sheets and Staff's recommendation. The Commission finds that the proposed tariff sheets conform to Ameren Missouri's Commission-approved PGA clause. In addition, because Ameren Missouri's PGA clause allows for PGA change filings to take effect after ten business days, good cause has been shown pursuant to Section 393.140(11), RSMo, to permit the tariff and this order to become effective on less than 30-days' notice. The Commission concludes the proposed tariff sheets should be approved to become effective on July 1, 2022, on an interim basis, subject to refund, and pending final Commission decision in File Nos. GR-2022-0351 and GR-2021-0291.
