ORDER DIRECTING FILING

Issue Date: October 18, 2007

Effective Date: October 18, 2007

On August 31, 2007, Laclede Gas Company, on behalf of its Missouri Natural Gas Company Division, filed an application requesting permission to abandon General L.P. Gas Service to customers in the Meadowview Acres Mobile Home Park in Jefferson County, Missouri. By implication, Laclede asked the Commission to approve a sale of assets. On September 14, 2007, the Commission issued an order directing that notice of the application be given to interested parties, establishing an intervention deadline, and setting October 15, 2007, as the filing date for the Commission Staff's recommendation or a status report concerning the application.

On October 15, 2007, Staff filed a Status Report. Therein, Staff stated that Laclede had provided responses to Staff's remaining data requests on October 8 and that a telephone meeting was set on October 15 to discuss those and prior DR responses. Staff stated that it expects to file its recommendation by November 2, 2007, and requested the Commission to establish that filing date.

The Commission has considered Staff's Status Report and finds that it is reasonable to set the requested filing date for Staff's recommendation.

IT IS ORDERED THAT:

1. No later than November 2, 2007, the Staff of the Commission shall file its recommendation regarding Laclede Gas Company's application.
2. This order shall become effective on October 18, 2007.
