**Case No. GO-2008-0155**

**APPLICATION TO INTERVENE  
OF THE MISSOURI INDUSTRIAL ENERGY CONSUMERS**

Comes now Anheuser-Busch, The Boeing Company, Chrysler, General Motors, GKN Aerospace, Hussmann Refrigeration, JW Aluminum, Monsanto, Pfizer, Precoat Metals, Procter & Gamble Manufacturing, Nestlé Purina, Solutia and U.S. Silica, hereafter referred to as the Missouri Industrial Energy Consumers ("MIEC"), and pursuant to 4 CSR 240-2.075 and 4 CSR 240-2.080, files its Application to Intervene. In support of its Application, the MIEC states as follows:

1. The MIEC is a group of large customers of Laclede Gas Company ("Laclede"), and the rates, terms and conditions of the MIEC's natural gas service may be affected by the outcome of this case;
2. The MIEC's interest in this case is to ensure that Laclede provides natural gas service to the MIEC under reasonable terms and conditions at just and reasonable rates;
3. As a group of large customers of Laclede, the MIEC's interest in this proceeding is different than that of the general public;
4. The MIEC does not yet have sufficient information to take a position regarding Laclede's Application, but reserves the right to take positions on all issues that may affect its members in this case.

5. Granting the MIEC's proposed intervention would serve the public interest by assisting in the development of a more complete record for decision by the Commission.

WHEREFORE, the MIEC requests that the Commission grant its Application to Intervene herein and make it a party to this case for all purposes.

Respectfully submitted,
