RECOMMENDATION AND DIRECTING STAFF TO RESPOND TO
MOTION TO APPROVE CUSTOMER NOTICES

Issue Date: January 7, 2008

Effective Date: January 7, 2008

Laclede Gas Company has applied to change its Infrastructure System Replacement Surcharge (ISRS) to recover an additional \$1,646,284 of annual revenue. On January 4, 2008, the Commission's Staff filed a recommendation advising the Commission to approve Laclede's ISRS for the requested amount. Staff also recommended that the Commission approve Laclede's ISRS tariff on an expedited basis. Later on January 4, Laclede filed a motion asking the Commission to approve its tariff effective no later than January 18

The Commission will provide the other parties an opportunity to respond to Staff's recommendation if they wish to do so. In addition, the Commission notes that on November 16, Laclede filed a motion asking the Commission to approve the customer notices required by the Commission's ISRS rule. Staff did not address this motion in its recommendation so the Commission will direct it to do so.

IT IS ORDERED THAT:

1. Any party that wants to respond to Staff's Recommendation shall do so no later than January 10, 2008.

2. No later than January 10, 2008, Staff shall file a recommendation regarding Laclede Gas Company's Request for Approval of Customer Notices.

3. This order shall become effective on January 7, 2008.
