ORDER TO DELIVER NOTICE OF RATE INCREASE

Issue Date: December 24, 2014

Effective Date: December 24, 2014

The Missouri Public Service Commission is ordering delivery of the notice required by Section 393.275.1.¹ That statute requires the Commission, for each city or county imposing a business license tax on gross receipts of any gas, electric, water, or sewer corporation to notify the governing body of any rate increase over seven percent approved for that electric corporation. The statute requires the Commission to notify those bodies of:

. . . the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county.

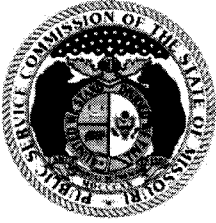

That notice is attached to this order. Section 393.275.2 also requires the taxing authority to take certain actions with regard to its gross receipts tax rates. Therefore, the Commission will order delivery of the attached notice.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall mail a copy of this order to the governing body of each city or county identified in the attached notice.

¹ All statutes are in RSMo 2000.

2. This order shall be effective when issued.

by delegation of authority pursuant
to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
on this 24th day of December, 2014.

NOTICE

Please be advised that the Missouri Public Service Commission has authorized a general rate increase for Summit Natural Gas of Missouri, Inc. ("SNGMo") effective December 14, 2014. The Commission is providing this notification in accordance with Section 393.275, RSMo, which requires notification to taxing authorities when any such increase exceeds seven percent.

The rate increase approved represents a percent increase and monthly amount within each SNGMo service area as follows.

Service Territory	Percentage	Amount
Gallatin	11.82%	\$10.22
Warsaw	28.54%	\$26.18
Rogersville	18.72%	\$15.67
Rogersville Optional	19.22%	\$13.55
Branson	25.68%	\$24.84
Branson Optional	26.14%	\$13.71

It is estimated that this will result in an annual increase in gross receipts taxes* for each taxing authority as follows.

*The estimated annual increase in franchise fees is based upon the franchise fees paid in the last twelve months multiplied by the average authorized rate increase for the applicable operating district. The actual increase in revenues for Summit Natural Gas of Missouri, Inc. and the corresponding increase in franchise fees for the municipality may vary significantly from this estimate based on many factors, including, but not limited to, customer counts by class for each municipality, customer usage, conservation, weather, special contracts, and customer bad-debt.
