ORDER APPROVING TARIFF

Issue Date: October 15, 2014

Effective Date: October 15, 2014

On October 8, 2014, the Commission issued an Order Regarding ISRS Rates and Order Granting Motion for Expedited Treatment.¹ That order rejected Tariff No. YG-2015-0028, and authorized MGE to file a tariff that comports with the ISRS rates the parties agreed upon.

MGE filed Tariff No. YG-2015-0141 on October 2, and filed a substitute tariff on October 6. The tariff bears an effective date of November 2. But in its October 2 pleading, MGE represents that neither Staff nor the Office of the Public Counsel (“OPC”) objects to the tariff becoming effective no later than October 18.

The Commission set an October 14 deadline for responses. Staff responded on October 14, recommending that the Commission approve the tariff effective October 18. OPC did not respond.

Based on the pleadings, the Commission will approve the tariff effective October 18.

¹ Calendar dates are 2014 unless otherwise noted.

THE COMMISSION ORDERS THAT:

1. The tariff sheet filed by Missouri Gas Energy, an operating unit of Laclede Gas Company and assigned tariff number YG-2015-0141, is approved effective October 18, 2014. The tariff approved is:

2. This order shall become effective when issued.
