Re: Case No. GO-2004-0195

Dear Sir:

I am in receipt of your Order Opening Case, Adding Parties, Directing Notice and Setting PreHearing Conference in the above entitled matter and note that our company has been listed.

Please be advised that Alliance Energy LLC DOES NOT offer natural gas service anywhere to anyone nor has Alliance Energy LLC at any time in the past or plan to, at any time in the future, offer natural gas service to anyone anywhere.

Alliance Energy LLC is a new company formed in the fall of 2003. In December of 2003 it acquired the assets of several retail propane companies. The only product that Alliance Energy LLC sells is propane.

Please confirm that our name has been removed from this action as a party of interest as we are not, have not, and do not intend to offer natural gas energy services.

As a propane supplier, we have registered with the State of Missouri, Department of Agriculture and a copy of our registration certificate is attached.

Sincerely,

Valeria Schall
Vice President
