Establishment of an Infrastructure System)	Tariff File No. YG-2006-0747
Replacement Surcharge.)	

ORDER ESTABLISHING DEADLINE TO RESPOND
TO STAFF RECOMMENDATION

Issue Date: May 23, 2006

Effective Date: May 23, 2006

On March 31, 2006, Laclede filed an application with the Missouri Public Service Commission under Sections 393.1009, 393.1012 and 393.1015, RSMo Cum. Supp. 2005, requesting that the Commission authorize the company to establish an Infrastructure System Replacement Surcharge for mains, valves, service lines, regulator stations, vaults, and other pipeline system components.

On April 25, 2006, Missouri Industrial Energy Consumers (MIEC), a group of large customers of Laclede, filed a timely application to intervene. MIEC did not take a position regarding Laclede's application. No party responded to the application to intervene, and the Commission granted MIEC intervention on May 9, 2006.

On May 19, 2006, the Commission's Staff filed its memorandum and recommendation concerning the application. The Commission believes all parties should be given an opportunity to respond to Staff's memorandum and recommendation.

IT IS ORDERED THAT:

1. Any party wishing to respond to the Memorandum filed by the Commission's Staff may do so on or before May 31, 2006.
2. This order will become effective on May 23, 2006.
