**ORDER GRANTING THE APPLICATION TO INTERVENE OF**  
**USW LOCAL 11-6**

Issue Date: May 20, 2008

Effective Date: May 20, 2008

On April 25, 2008, Laclede Gas Company filed an application and petition to change its Infrastructure System Replacement Surcharge (ISRS). The Commission established May 19 as the deadline for interested parties to file an application to intervene.

USW Local 11-6 filed an application to intervene on May 6. Local 11-6 is the collective bargaining representative for approximately 1,050 Laclede employees. More than ten days have passed since Local 11-6 filed its application to intervene and no party has objected to that application.

The Commission finds that Local 11-6's interest in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing Local 11-6 to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

**IT IS ORDERED THAT:**

1. The Application to Intervene of USW Local 11-6 is granted.

2. This order shall become effective on May 20, 2008.
