Re: Case No. GO-2004-0195

Dear Judge Roberts

Cornerstone Energy has received the order opening this case and welcomes the opportunity to take part in the prehearing conference to address the issues raised by the Commission staff. Cornerstone is currently registered with the Missouri Secretary of State to do business in Missouri. Cornerstone is also currently certified to do business in Iowa, Michigan, and Nebraska. All three of these states have a formal process that natural gas marketers must go through in order to be certified to market gas in their respective state. We look forward to the prompt resolution of the issues identified in the order. Please include my name on the service list for future communications.

Sincerely,

  
Richard Haubensak  
Cornerstone Energy
