1. Section 13h of the Agreement requires Laclede Gas and The Laclede Group to make certain executives available in May 2014 and December 2014 for on-the-record presentations regarding Laclede's acquisition of Missouri Gas Energy (MGE). The first presentation was made before the Commission on May 27, 2014. By this pleading, Staff, in consultation with the Signatories to the Agreement, proposes that the second on-the-record presentation be scheduled for 1:00 p.m. on Tuesday, December 16, 2014.

2. Section 13h specifically states as follows:

Laclede Gas management including the Chief Executive Officer of LG, the President of Laclede Gas and the Senior Vice President, Chief Innovation and Integration Officer and any other participants that Laclede Gas deems necessary shall be present for a minimum of two on-the-record presentations before the Commission to be scheduled in May 2014 and December 2014. If transition concerns still exist after December 2014, an additional on the record presentation may be required. Laclede Gas shall present witnesses to provide live testimony

and be prepared to discuss the status of the transition and any problem areas and to offer action plans to ensure completion of a seamless transition without disruption to ratepayers. Laclede Gas witnesses shall be available for questions from the Signatories regarding the progress of the transition involving matters contained in this Stipulation. After the closing of this Transaction, the Staff shall file a pleading on behalf of the Signatories proposing dates for the on the record presentations. A representative from SUG [Southern Union Company] management shall be present for the first on-the-record presentation in May 2014.

3. Staff, Laclede/MGE, OPC, the Department of Energy and Panhandle have all agreed to the schedule. No signatory has objected to it.
