MOTION FOR EXTENSION OF TIME TO FILE EXHIBITS

COMES NOW KCP&L Greater Missouri Operations Company (“GMO”) and requests an extension of time to file exhibits ordered by Judge Harold Stearley during the evidentiary hearings in this matter. In support of this motion, GMO states as follows:

1. During the evidentiary hearings, Judge Stearley requested that certified copies of testimony, orders and other items cited in the Company's testimony be filed in the record of this case. On June 6, 2012, the Commission issued its Order Establishing A Deadline for Filing Exhibits which established June 15 as the date for filing of the exhibits, and June 20 as the date for the filing of any objections to the exhibits.

2. Due to the number of exhibits that need to be certified and filed, GMO requests that it be granted an extension of time to file the requested exhibits until Tuesday, June 19, 2012. The Data Center has been contacted and is in the process of preparing the exhibits which would include an electronic certification. The date for filing objections to the exhibits should also be extended accordingly.

3. Staff counsel has indicated that he has no objection to this request.

WHEREFORE, KCP&L Greater Missouri Operations Company requests an extension until June 19, 2012 to file the ordered exhibits.

Respectfully submitted,
