BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of an Investigation into Compliance with)
the Required Registration of Sellers of Electricity and)
Gas for Use of Consumption in Missouri.) **Case No. GO-2004-0195**

ORDER REGARDING MOTION
FOR CLARIFICATION

On October 24, 2004, the Staff of the Missouri Public Service Commission filed a motion requesting that the Commission open a case to investigate the sale or distribution of gas and electricity, as defined in Sections 393.297-.302, RSMo 2000, by entities that are not certificated by the Commission. On December 9, 2003, the Commission opened a case, added a number of parties and set this matter for prehearing conference.

Among others, the following entities and their agents were joined and ordered to appear at the prehearing conference:

Alliance Energy. LLC
Valeria Schall
25920 Oakdale
Lebanon, MO 65536;

Alliance Energy Services, LLC
CT Corporation System
120 South Clayton Ave.
Clayton, MO 63105;

and

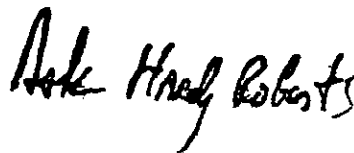

Alliance Energy Services, LLC
Jason P. Doyle
8608 N. Flora Ave.
Kansas City, MO 64155.

Alliance Energy, LLC, responded on January 23, 2004, and asserted that it does not does not offer natural gas in Missouri and should not be a part of this case. The Staff of the Commission filed a response and stated that it had no objection to Alliance Energy, LLC being dismissed from this matter. The Commission therefore issued an order dismissing the party from the matter. Although Alliance Energy, LLC, is referred to in the body of the order of dismissal, in the ordered paragraph number 4 of that order, "Alliance Industries" is dismissed from the case. This is an error. Alliance Energy, LLC, should have been named as the party that was dismissed from the case.

IT IS THEREFORE ORDERED:

1. That the Staff of the Commission's Motion for Clarification is granted.
2. That Alliance Energy, LLC, is dismissed as a party from this matter.
3. That both parties sharing the name Alliance Energy Services, LLC, remain parties to this matter.
4. That this order shall become effective on February 27, 2004.

BY THE COMMISSION
