Re: Ozark Natural Gas Co., Inc.

Dear Ms. Dale,

Please be advise I represent the above referenced company. They received a show cause order in the referenced case and were required to show they should not be required to file a claim in said case.

Ozark Natural Gas Co.,Inc., was never involved with NYMEX Natural Gas matter, never sold natural gas, did not purchase natural gas for distribution and never engaged in trades at the NYMEX. Consequently, they do not and will not file a claim. They wish to be discharged from the class.

Would you please note that action on your records and show Ozark Natural Gas Co., Inc. as a non participant?

Thank you for your courtesies in this regard.
