Issue Date: July 6, 2006

Effective Date: July 6, 2006

On June 29, 2006, Missouri Gas Energy filed an application with the Missouri Public Service Commission pursuant to Sections 393.1009, 393.1012, and 393.1015, RSMo Cum. Supp. 2005, requesting that the Commission authorize it to establish an Infrastructure System Replacement Surcharge. Section 393.1015.2(3) requires that the Commission act on MGE's application no later than 120 days after it was filed. That means that the Commission must issue an order regarding the application with an effective date no later than October 27, 2006. Along with its application, MGE filed a tariff that will implement the surcharge. Unless the Commission suspends that tariff, it will become effective on July 29, 2006.

So that it can consider MGE's implementing tariff and the underlying application, that tariff shall be suspended until October 27, 2006, unless sooner approved by the Commission.

IT IS ORDERED THAT:

1. The tariff sheet filed by Missouri Gas Energy, a division of Southern Union Company, on June 29, 2006, and assigned tariff number JG-2006-0996, is suspended until October 27, 2006. The tariff suspended is:

2. The order shall become effective on July 6, 2006.
