ORDER GRANTING EXPEDITED TREATMENT AND DIRECTING FILING

Issue Date: February 2, 2012

Effective Date: February 2, 2012

The Missouri Public Service Commission is granting the *Motion for Expedited Treatment*¹ (“motion”) and directing Staff to file a recommendation on tariff Tracking No. YG-2012-0367 (“new tariff”).

Southern Union Company d/b/a Missouri Gas Energy (“the Company”) filed the new tariff on February 2, 2012, with the motion. In the motion, the Company seeks approval of the new tariff by February 14, 2012. In support, the Company alleges that the new tariff complies with the Commission’s February 1, 2012 order.² In that order, the Commission rejected an earlier tariff sheet (“rejected tariff”) and ordered the filing of a new tariff conforming to Staff’s recommendation on the rejected tariff.³

Therefore, the Commission will grant the motion and direct Staff to file an expedited recommendation on the new tariff.

THE COMMISSION ORDERS THAT:

1. The *Motion for Expedited Treatment* is granted.
